Dear James;

My pen is not doing very well.  
Received your cards and letters and  
glad you are settled now for your eight  
weeks and that you do not find it as  
hot as we do.

The mill shuts down for next week  
and Henry hopes to get his back up  
for the mill so we can start July  
6 for Tampa, of course he may not  
be able to get every thing done or  
the mill may not let him off then  
but any way that is his plan now.

Frances wrote to Ruth Bracey today  
asking if <sup>they</sup> can be ready to be picked  
up when Henry returns from taking  
me to Tampa, if so that will save  
him a long trip. He and Frances kept  
the children a month last vacation.

The children love the water and learned  
to swim so they are anxious to come.

Sorry about Bill and trust he may find

some thing to do.

Hope every thing turns out fine for  
all of you - and Gail learns to swim.

Love from us all.

Betty will have her Mother's  
hands full doing house  
work and looking after Gail.
